## GIFT IDEAS

One thing that is always an essential at Valentine's Day is a gift. These do not need to be expensive, as sentimental presents will mean much more.

### SOFT TOY

Don't just go for the generic bear: pick their favourite animal from Hamleys or an online retailer.

### PHOTO BOOK

Get your photos printed off online at Photobox free with only postage to pay. Then buy a fitting photobook.

### BAKE A TREAT

Good at baking? Then make your partner their favourite snack.

### VOUCHERS

Create your own "love voucher" book. This is a fun, cheap idea which your partner will adore. Ideas which can be used are massage, dates, favours etc.

### LOVE JAR

Write loads of notes on small pieces of paper. Suggestions would be "why I love you...", "memories together" etc. Then buy a suitable jar.

### CANDLE JAR

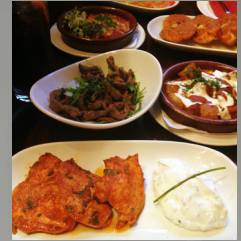

Make a candle jar for your loved one. Simply decorate whatever way you want and leave love heart shapes at various points.

## THE VERY EXPENSIVE

Have some traditional Spanish tapas at Cafe Andaluz with elegant Andalucian decor and an intimate ambience. If you don't fancy that, then go to Zizzi's next door for a rustic Italian experience. Both approx. £25pp for starter, main, dessert and drink.

Go and see a film - **Marvel's Deadpool** will be just out and could set the tone for a great Valentine's night.

## ON A BUDGET

Save on going out for dinner by making you and your partner's favourite meals for a fraction of the cost. Light the table with some candles and let the romance flow.

After dinner, grab some wine and cuddle up to a movie.

---

## SOMETHING DIFFERENT PART 1

Drive up to the Gleniffer Braes for a breath-taking view of Paisley and Glasgow. Its nickname "The Car Park in the Sky" doesn't disappoint.

*Glenfield Road, Paisley PA2 8TE*

Visit a nearby take-away or supermarket for food to eat in the car while watching the world go by.

---

## SOMETHING DIFFERENT PART 2

Think outside of the box this Valentine's Day by going to see the Braehead Clan face-off against Manchester Storm. The Ice Hockey will last for around two and a half hours which for £15pp for students is a great deal.

Braehead is right next to Soar, so you can pick from multiple restaurants and pubs for a pre-match meal.

And if all else fails and you find yourself alone then don't worry: head out to a club in Glasgow for the Valentine's Day Night special for cheap drinks and a lively atmosphere. Who knows, you might find your true love... even if it's just for the night.
